PGL Residential:

## Important Year 5 Events this term

Home work activities will be set each Wednesday to be handed in the following Monday. Homework consists of short topic related activities, maths, spellings and reading. Little and often is best! A homework book is provided. Please use no more than 2 pages to complete the weekly homework and encourage your child to write in the best handwriting using a sharpened pencil.

## Home Learning

### English

The children will be using many different texts as stimulus for their writing including the Giants necklace (Michael Morpurgo) and the BFG (Roald Dahl).

### Maths

Our focus for learning this term starts with statistics and then moves on to measurements. Please continue to learn your conversion facts as this will help in class. All topics will include fluency, reasoning and problem solving questions on perimeter, area, fractions, angles and shape this term.

### Science

We will continue to learn about properties and materials and then follow onto biographies of influential modern chemists. The second half of the term the children will study Earth and Space.

### Religious Education

Throughout the term we will be using The Bible as we learn more about people living as a Christian/proverbs and Gods plan. We will also look at worship around the world and creed.

### Computing

In computing we will become web developers and create a simple internet safety web page. After this we will create a virtual learning space.

### Design Technology

The children will be learning about cooking and nutrition in DT—watch out Jamie Oliver!

### French

French this term will cover a variety of everyday situations and conversations including talking about themselves, food, clothes and holidays.

### Humanities

Children will be first looking at OS mapping and their local area—including research on a local environmental issue. We will then move on to study the ancient civilisation of the Mayans, we will find out how their culture and traditions contrast with our own western lifestyles.

### Art & Design

Our art and design will include using clay, watercolours, sketching, photography, textiles. Artist focus: Henri Rousseau and David Hockney.

### Music

In music we will appreciate and understand a wide range of high-quality live and recorded music involving Jazz.

Focus: Benjamin Britten

### Physical Education

We will be keeping very active this term playing badminton and learning street dance for the first half term followed by basketball and our real PE scheme.

### Personal, Social, Health and Citizenship Education

To help the children become more rounded individuals they will learn how to cope in different situations -Going for goals. Say no to bullying/Good to be me.
