World Book Day

What amazing costumes! The children (and staff!) look fantastic. Thank you to all the children (and their parents!) for the effort they have gone to, it really is appreciated and helps the children get into the spirit of the day.

Safety First

I have had a phonecall from a concerned resident in Merrow Place who reports some unsafe and inconsiderate use of the road by both children and parents. Please take care as you are rounding the corner and think about those who live there. There is a pathway and the alleyway that can be used. Thank you for your co-operation.

British Museum

Yesterday we went to the British Museum in London. We saw lots of Egyptian artefacts that had been sent over from the pyramids. We saw Cleopatra's mummy—she was wrapped in bandages, and some canopic jars which held the intestinal organs!! It was a great day and we learnt lots more about the Egyptians! Sophie 3E

Teaching and Learning Review

On Tuesday we welcomed two consultants from the local authority who conducted a thorough review of the school. The children were a credit to themselves and the school, they spoke articulately and were able to respond with confidence about their learning. The outcome of the day was very positive and I look forward to sharing key points with you once the report has been received.

Samba

Last Sunday a group of Year 4 pupils showcased the Samba they have been learning at school in front of an audience at G-Live. The feedback has been excellent—they definitely got the loudest cheer! Thank you to Mr Keeble for all his hard work.

Scarlett Fever

There has been a case of Scarlett fever within school. Please see St John's ambulance guidance on the next page.

Have a great weekend!

Dodgeball success!

Congratulation to our Dodgeball competitors who did a fantastic job in the competition held at Boxgrove on Tuesday. We won 1, drew 1 and lost 1, and this was enough to secure us 3rd place (out of 7)! Thank you to Mr Edward for cheering us on!

Eco-buddies plea

Please could you donate plastic milk bottle lids. These will be given to classes who are turning their appliances off when they leave the room and for taking eco-friendly steps within school. The class who collects the most will get a reward. There will also be an ECO tree by which energy conscious children will be named.

Mrs Friend-Smith would like to say a big thank you to Surrey Water Gardens and Pets Centre, Clandon Park, who donated sawdust for a Year 3 art activity.

Please could you ensure that you collect your child from school promptly at 3.15 pm. If you are unable to for any reason, please arrange alternative childcare and ensure the office/class teacher is made aware. Thank you.

SCARLET FEVER IS ON THE RISE WHAT TO LOOK OUT FOR:

1. SORE THROAT, HEADACHE & HIGH TEMPERATURE
2. RED RASH WHICH FEELS LIKE SANDPAPER TO TOUCH, LOOKS LIKE SUNBURN AND MAY BE ITCHY
3. LOSS OF APPETITE
4. NAUSEA OR VOMITING
5. THE TONGUE MAY BE RED & SWOLLEN (STRAWBERRY TONGUE)

IF YOU THINK THAT YOU OR YOUR CHILD MAY HAVE SCARLET FEVER, SEE YOUR GP AS SOON AS POSSIBLE
