

Sport Premium Overview

“Working Together, Learning Together, Growing Together”

At Bushy Hill Junior School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people’s lives for the better.

We welcomed the Government’s announcement in June 2013 to provide additional funding for 2 years to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Sport Premium Grant

Funding for schools was calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2014. All schools with 17 or more primary aged pupils received a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools received £500 per pupil.

Total number of pupils on roll at Bushy Hill Junior school (January 2013)	274
Total amount of Sport Premium Grant received for 2013 – 2014	£ 9,140

What does the Sport Premium mean for my School?

‘Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this’ (DfE June 2013).

At Bushy Hill, our priority is: **To raise achievement and attainment in PE, as well as increase the levels of participation from children in all aspects of Sport.** We have found the additional Sport Premium Grant highly beneficial in helping to deliver on a number of key actions, as detailed in the following table:

Action	Outcome / impact
Subsidised swimming lessons for children in Year 4	Targeted swimming coaching for individuals who were still below the expected swimming requirements (for their age) by the end of the autumn term.
Streamed Physical Education specialist teacher for remaining Year 4 children	Children have improved skills development across a range of PE and this builds towards future sporting opportunities over forthcoming years at the school.
Year 3 and 4 ‘Sports Hall Athletics’ event in the spring term	The children have applied the skills they have learnt in PE lessons and gained experience of competing with others.
Re-establishing extra-curricular sports clubs, e.g. Rugby Club, Football Club and Netball Club.	Children in Lower Key Stage 2 have had improved access for participating in these sports for the first time. Children are better prepared for competitive sport meetings and they have had the opportunity to strengthen their talents within a range of sports. Children are receiving specialist training from coaches who are helping to instil positive attitudes and discipline for playing each individual sport.

Action	Outcome / impact
Release time for the PE Coordinator	Time for the PE coordinator to organise Summer Term G&T Cross-Country coaching sessions additional to the all school Cross-Country and Athletics programme.
Staff Continuing Professional Development Opportunities in PE	Identified members of staff have received training opportunities in teaching Cricket, Gymnastics and Dance.
Continued participation by Year 5 in the George Abbot CSLA programme, which was also extended to Year 3 this year	Continued opportunities for children to experience using Secondary School facilities and receive specialist teaching in PE.
Year 5 and 6 participation in specialist Cricket Programme	This has allowed the children to receive professional coaching, and ensured teachers have helpful CPD opportunities to further extend children's skills and knowledge development in this sport.
Improved opportunities to celebrate achievements and wider opportunities for children's participation in sport	Better display of clubs and sport information in school and celebration of sporting achievements.

Whilst we feel we have made great progress towards raising achievement and attainment in PE and increasing levels of participation in sport, we have identified the following next steps going forward and we will continue to use the **Sport Premium Grant** to support these, as detailed in the following table:
