Working Together, Learning Together, Growing Together

Summer Newsletter No. 4

8th June 2018

Welcome back to the final half term of the school year!

### Staffing news

We welcome Mrs Northrop to our Learning Support Assistant team as of Monday. Don't worry, there will be a replacement in the kitchen! We look forward to working with Mrs Northrop on this side of the hatch!

### Guildford in Bloom

Our entry was judged this week and we are very proud of the European twist and Erasmus link! Well done to our Gardening Club, supported by Mrs Freeman, Mrs Taylor, Mrs Jacob and Mrs Gigg. Results in a few weeks time!

### France

It looks like the children are having an amazing time over in Normandy. They arrive back later tonight and we look forward to hearing all about their experiences.

### Sports Day—Thursday 21st June

Please find attached our Sports Day Timetable. Children already know which events they will be competing in.

We hope that you will be able to come and join us for part or all of the day. We invite you to bring a picnic to share with your children between 12.00 and 1.00pm. If your child is a school dinner they will be provided with a packed lunch, more details to follow. Refreshments will be served by The FAB Team during the morning break and at lunchtime.

Please be aware that events may run ahead or behind time (the timetable may be subject to change), so please leave enough time either side of your child's event to avoid disappointment.

Children are to come to school dressed ready for the day—school PE shorts and a coloured t-shirt for their house:

**Blue—Beech, Red—Maple, Yellow—Hornbeam, Green—Willow.**

Please ensure all children have a hat, have sun-cream applied before school and have a water bottle with them.

Fingers crossed for a dry day!

## Online Safety

### Live streaming: responding to the risks

Live streaming is a popular feature of lots of apps and platforms. By understanding the risks of live streaming, we can help children stay safe when they are online. ThinkUKnow has produced a guide to help parents understand why live-streaming is so popular, and how to keep children safe.

You can find the article here: <https://www.thinkuknow.co.uk/parents/articles/live-streaming-responding-to-the-risks/>

## Reminders

Please can you ensure the following 'rules' are adhered to. We are having to remind too many children of these and therefore they are not keeping up with the high standards we expect.

**Pencil cases**—these should be in school every day and fully stocked with appropriate equipment. Our very reasonable stationery shop is open for business most Friday mornings before school.

**Hairbands**—Plain only—no multi-coloured bows or hairbands with other accessories, including hair wraps. Shortest cut—grade 2.

No **nail varnish** in school—please ensure it is removed before your child comes into school

**Shoes**—plain black please.

**PE Kits**—School top and shorts only. A plain green or grey sweat top is also allowed.

Please do not park in the church car park for school events, including assemblies.

Thank you for your support.

At Bushy Hill we are very proud of the opportunities and extra-curricular experiences we provide for our children. We continually review this provision and would be grateful for input from parents. Please find attached a summary evaluation form, and we would be grateful if you could spend some time looking at our current activities and commenting on these/future events. Please return them to the office FAO Mrs Johns.
