

Sport Premium Overview

Working Together, Learning Together, Growing Together.

At Bushy Hill Junior School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We continue to welcome the Government's additional funding to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside providing greater sporting opportunities such as competitions and clubs for all our pupils.

Sport Premium Grant

Funding for schools was calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2015. All schools with 17 or more primary aged pupils received a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools received £500 per pupil.

Total number of pupils on roll at Bushy Hill Junior school (January 2017)	231
Total amount of Sport Premium Grant received for 2017 – 2018	£18,260

Whilst we feel we have made great progress towards raising achievement and attainment in PE and increasing levels of participation in sport, we have identified the following next steps going forward and we will continue to use the **Sport Premium Grant** to support these, as detailed in the following table:

Next steps	Planned outcomes
Additional purchasing of sporting equipment.	Continually provide the children with quality equipment in order for the to develop their abilities in P.E.
Continual training for PE coordinator and staff	Further training to embed REAL P.E curriculum across the school.
Release time for the PE Coordinator to carry out monitoring of the subject within the school and deliver further training to members of staff in identified aspects of PE.	Staff will further develop their skills to be able to teach all aspects of PE confidently resulting in improved outcomes for children. Ensure an appropriate assessment and tracking system in place.
Update PE kit across the school for children, staff and sporting teams	Children will have an up to date PE uniform and additional training clothing available.
Further Targeted provision for G&T and reluctant participants	Sporting and coaching opportunities which help children of all physical abilities to encourage better participation in active sports/clubs.
