

M:Tech music technology - Winter 2019 term

M:Tech is a creative composition course in which children create exciting music using the latest music technologies. The course is available to children age 7 - 13 and is suitable for all levels of musical ability.

In the Winter 2019 term the children will be working on Project 'FROZEN WORLD'

Compose an epic soundtrack to the greatest wilderness on the planet!

Create your own ice melodies and cool arrangements as M:Tech ventures into

Project 'FROZEN WORLD'

A digital download is emailed directly to parents and a Certificate will be given out in assembly at the end of each term. This course is administered directly by M:Tech and so to register your child's interest please sign up online at www.mtechonline.co.uk or contact Pia, Rebecca or Ann on 01483 578114.

Fees are £92 per term based on 10 lessons with weekly sessions of 30 minutes. Your bill will be adjusted to reflect the exact number of lessons in a term.

Please note: It is important to understand M:Tech is not a club or an activity. It is a group instrumental lesson teaching creative composition with a clear graded learning curve, therefore we apply the same terms and conditions as for instrumental lessons notice is required by half term in order to stop at the end of term.
